

**Remarks**

The above amendments are being made pursuant to telephone conversations between the undersigned and Examiner Hsu on February 2, 2005 and February 11, 2005.

Two changes have been made. First, the spelling of the word "dialled" has been changed in independent claims 1, 4 and 20. Second, claims 10 and 28 have been rewritten in independent form, and the preamble of the claims have been changed in a manner suggested by the Examiner and believed to now place the claims in condition for allowance.

There are now six independent claims in the application, and the applicant has paid previously for only five. It is therefore requested that the \$200 fee for the additional independent claim be charged to Deposit Account No. 12-0913.

Everything else being in order, it is submitted that the application is now in condition for allowance, and such action is solicited.
